Dear Potential Car Show and Cruise Participant,

Welcome to the 19th Annual Back to the 50's Celebration!!! The Towne Center Association (your event provider) and Rogue Valley Classic Chevy's Car Club (your Car Show provider) want to extend an invitation to participate in the great events to take place this year!

We are again offering a **Joint Registration form for the Classic Car Cruise and Classic Car Show!** It is important that you fill out the form completely.

This effort is being made to make it easier for you (our participants) to register for both events or to pick and choose either the car show or the cruise. **YOU ONLY HAVE TO WRITE ONE CHECK AND MAIL ONE APPLICATION** (per car).

That check will go to RVCC and can be mailed to the address on the reverse side.

LOCALS: You can still sign up locally for either event at the Towne Center Association (TCA) located at 220 SE "H" Street, Suite-5, Grants Pass, Oregon 97526 (1/2 block east of 7th Street between 7th and 8th Streets.)

LATE REGISTRATION: We recommend you pre-register for both events! Space is limited and both events sold out last year.

Friday July 24th - TCA Office and Pre Show Event (downtown at Growers Market)

Saturday July 25th - Cruise sign-ups at the Car Show (Riverside Park) and at the TCA Office (220 SE "H" Street), only if space is available. ***Special Note:** Last year the cruise was full and we had to turn away cars. Please Pre-register to ensure you are able to participate. The cruise is limited to 550 cars.

IMPORTANT: While the registration is joint, the events must be run separately. **That means that you must have a separate car placard for each event to be admitted to that specific event.** You will receive these placards in the mail with your registration information. (These mailers will be double checked for accuracy so make sure you do not lose your placards in transit to the event.)

To print additional registration forms and get more event information and contact numbers please visit our Official Back to the 50's Celebration Website: www.gptca.com
