

"Committed To Our Community"

"over 20 years of service"

Dear Business Owner,

Thank you for your interest in Grants Pass Towne Center Association. We continue to look for business owners who are interested in helping to maintain a safe, beautiful and prosperous downtown – realizing that a healthy downtown means a healthy city.

The Mission Statement of Towne Center Association is to advance the safety, commercial, civic, economic and general interest of the downtown of Grants Pass. To accomplish this task we focus on the following four main areas:

1. *Safety* Working with our community Public Safety Department on a continuing basis to improve the security of the downtown area.
2. *Business Retention* Support existing businesses and recruit new business which will enhance the mix of amenities offered downtown.
3. *Design* Enhancing the physical character of the downtown area.
4. *Promotion* Marketing downtown as a central place for community activities while helping to promote downtown as a place of commerce.

It is our belief that a vibrant downtown builds a strong sense of community pride. It is not just the "climate" of Grants Pass, but the people who join together for a common goal to keep our downtown alive as the "heart & soul of our community".

It is our hope that you will join the members of Towne Center Association and be part of our team that strives to make downtown the central marketplace of the community.
