This is an exceptional fair that brings many patrons to Grants Pass and to the Downtown. This year the fair will be expanded to go all the way to 7th street.

The Towne Center Association greatly encourages all business to be open for business that day, as you will see a number of customers. You will not be disappointed, the more business involvement the better, whether you are an antique store or a restaurant.

The Trolley will also be running for this event.

TCA Board Elections this June

Elections!

We are looking for board members who would like to be a part of the Towne Center Association.

We are seeking active people

in the downtown to participate on the board, those who are willing to donate their time and effort to make the downtown activities and events a success. They take a lot of work, and it could not happen without a motivated board.

If you are interested in being a part of the Towne Center Association Board, please contact the TCA office for an application.

Current Events- "A" Frame Street Signs

Sign Time!

The TCA is continually addressing issues regarding the downtown.

We are currently working on a way to improve the current ordinance for "A" Frame signs. Currently, as

the ordinance stands, businesses are only allowed to use these signs evenings, weekends and on special events. The TCA is working to improve the ordinance to consider uses that may benefit our members.

These signs have become an

important way for some of our businesses to attract customers.

We want to receive your feedback, input and questions. Send us an email at:
